- Certificate in Cloud and Network Security

SEPT 2021 - NOV 2021
KESAP RESEARCH CENTER

- Certificate in Data Entry and Analysis (SPSS and STATA)

NYAMWEYA

KEVIN ABUTA

ICT SPECIALIST

PROFILE

A reliable and adaptable IT professional with a strong foundation in computer science, hands-on experience in technical support, and practical skills in programming, web development, and database management. I am confident in troubleshooting systems, supporting users, managing data, and applying modern IT practices to improve efficiency. My experience across administrative, technical, and customer-focused roles has strengthened my communication, problem-solving, and teamwork abilities. I am committed to continuous learning and ready to contribute positively to any dynamic ICT environment.
